A few details:

- Any pupil who has left school may not return, unless he/she holds a green card. However, leaving school after 3:00 pm excludes returning to take the school bus. A red card implies staying on the EEB1 site until the bus leaves in the evening.
- Pupils getting off the school bus must enter the school directly via the Waterloo entrance.
- Authorization for early departure will ONLY be given in the event of an emergency or medical appointment, upon express request by e-mail from the parents to the Education Advisor for the pupil's level. We strongly advise you to submit your request at least one working day before the date of the early departure.
- It is not permitted to leave the school during the morning break.
- It goes without saying that any pupil attempting or succeeding in leaving without authorization, taking advantage of a large flow of pupils making individual control problematic, would be putting himself in an irregular situation and would be treated and considered as such.

*or absence of a teacher at the beginning / end of the day (from 11:40).

** Students in S6 or S7 during a free period.
